

News from My Father's House

"You are the God who perform miracles; you display your power among the people." Psalm 77:14

Dear friends and prayer partners,

We praise God for a beautiful and powerful time with the mission team from Hope Church. On Friday July 6 we had the women and children program. We were expecting 50 women and about 30 children it turn out that we had an attendance of 80 women and about 80 children. That morning Carlos shared a devotional with the team about been willing to be flexible and follow the direction on the Holy Spirit and that many times we plan many things but God has a delightful way of upsetting the plan we have made. For this activity we had plan for about 30 kids and to have the activity at the second floor of the church. A couple of hours before the activity our pastor called Carlos and ask him if we can have the kids activity at the mission house because people were working on second floor. We arrange for the 30 kids to come to the mission house but when we transported them we counted about 80 kids instead of 30 and we had 80 women instead of 50. We praise the Lord for delightful changing our small plans and having almost double the number of people that show up for that program (It would have been difficult to have 80 kids at second floor of the church, God knew). The women's ministries from Hope Church had a great program for the women and the man did a great job with the children. Thank you Lord.

We praise the Lord for all the rest of the work that took place that week. The church was painted and also we had some talented people who did beautiful murals on the children classrooms.

We want to give special thanks to all of our brothers and sisters from Hope Church for blessing our family and ministry. We want to give special thanks to Marcus Thompson who created our web site (www.welcometomyfathershouse.com) and to Valerie Hoffman who design the logo for My Father's House. We have no words to thank all of you for the way you have blessed us. May the Lord give you back much more, thank you.

We praise the Lord for blessing us with the gift of a car. We have been praying for a second car. Our friends Andy and Lisa Campbell are blessing us with their Honda Pilot. We will fly to Ft Lauderdale on Sunday August 5 and then to Dayton on August 7 and driving back to Guatemala on around August 16. We are blessed to be able to do this trip and we hope to see many of you. Please pray for a safe travel and for a good visit with friends. Also pray for the medical check ups that Heidi and the kids will go to for everything to go well.
