

**News and prayer letter from Carlos and Heidi Fernandez  
Guatemala Mission Field**

**Dear Friends, supporters and Family in Jesus:**

**1 John 3:2 (New International Version)**

<sup>2</sup>Dear friends, now we are children of God, and what we will be has not yet been made known. But we know that when he appears, we shall be like him, for we shall see him as he is.

**Gracious uncertainty** is the title of a daily devotional From My Utmost for his Highest by Oswald Chambers. As I was reading this devotional for April 29, I did look at the picture of what's going on around the world today, and I can see some of the things Jesus told us in Mathew 24.

As a human we want to feel secure, comfortable and happy, free of worries, right? But how you feel today about all this uncertainty? See what Mr. Chamber said about Certainty and Uncertainty

**Certainty is the mark of the commonsense life---gracious uncertainty is the mark of spiritual life. To be certain of God means that we are uncertain in all our ways not knowing what tomorrow may bring. This is generally expressed with a sight of sadness, but it should be an expression of breathless expectation...**

**... when we have the right relationship with God, life is full of spontaneous, joyful uncertainty and expectancy. Jesus said, “. . . believe also in Me” (John 14:1)**

**Leave everything to Him and it will be gloriously and graciously uncertain how He will come in---but you can be certain that He will come. Remain faithful to Him.**

If truly we know that we are children of God, also we know and we understand what He say about the future or tomorrow,

**Matthew 6:34 (New International Version)**

<sup>34</sup>Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.

## **My Fathers House Ministry News update**

In the months of March and April we hosted two medical mission teams.

**The first mission team came from Pawley's Island church.** They provided medical and dental services to the people of the villages of Zapote, Tabacal and Lacama Chichicastenango. They saw an average of 1700 patients. We are thankful to God for Pawley's Island church mission work and commitment of helping the people of Guatemala. Look the beautiful Video about this team @

**The second medical team was send by Fairhaven church in Dayton Ohio.** This team was the first medical team that we receive in which the doctors came with their entire families. It was a blessing for us to see them work together as a family and as individual to achieve one common goal, to bless and show God's love to others. They work in our hometown San Lucas and also in Zapote they had the blessing of seen about 800 patients. We want to thank our good friends Dr. Andy and Lisa Campbell for all the work they put on putting this team together and to everyone who came to serve.
